EVENT PROFILE

The 2023 Summer edition of the Dhaka International Yarn and Fabric Show marked a significant milestone in the textile and garment industry, as it showcased Bangladesh's emergence as a key player on the Global Textile stage. This event attracted industry leaders, textile manufacturers, suppliers, visitors from Bangladesh and around the world, reaffirming Bangladesh's position as an emerging Global Textile Hub.

The show garnered international attention, with participants and exhibitors from leading textile-producing nations. Bangladesh's role as a growing textile hub was highlighted through diverse global participation and visitors from across South Asia and Europe, who used the event as a Triangle-Trade platform where they could connect with Textile, Accessories Manufacturers as well as Garment factories in Bangladesh. This cross-continental participation showcased the Dhaka International Yarn & Fabric Show's Global appeal and the significance of the textile industry as a unifying force.

This was the first time the Dhaka Yarn & Fabric Show saw this new business dynamics and served as a platform for an extensive international visitor audience, creating a diverse and dynamic environment for facilitating triangle-trade, business development, networking and collaboration thus forging new regional collaboration and partnerships.

The Dhaka International Yarn & Fabric Show is a part of CEMS-Global's Textile Series of Exhibitions held in Bangladesh, Brazil, Morocco and Sri Lanka. After the successful 21st edition of Dhaka International Yarn & Fabric Show held in 2023, CEMS-Global is pleased to present once again its 2024 edition in Bangladesh as 22nd Dhaka International Yarn & Fabric Show 2024 (Summer Edition).

The previous edition of the Dhaka Yarn and Fabric Show held in 2023 transcended geographical boundaries by attracting visitors from South Asia and Europe, creating a vibrant and interconnected textile community. Whether attendees sought business opportunities, fashion insights, or technological innovations, this event delivered a comprehensive and Global experience.

As the textile industry continues to evolve, for over 2 decades, the Dhaka Yarn and Fabric Show has exemplified its position as a catalyst for international collaboration and industry growth. This event has provided a unique platform for the Global Textile Industry for networking, discovering, collaborations and business development and highlighted the immense potential of Bangladesh's textile and apparel industry on a global scale.

This annual event is a significant platform for the Global textile and apparel industry as well as Bangladesh, which is one of the largest textile and garment exporters in the world exporting apparels worth over US\$ 45 Billion to 120 countries of the world.

Once again, the 22nd Dhaka International Yarn & Fabric Show 2024 will provide a platform for manufacturers, suppliers, and service providers to display their latest exhibits, advancements in textile technology, materials and innovations which would be extremely beneficial to boost exports of the textile and garment sector of Bangladesh.

The Dhaka International Yarn and Fabric Show has underscored Bangladesh's ascent as a global textile hub, driven by its dedication to innovation, sustainability, and quality. Whether you were a textile and garment industry professional or an advocate for sustainable textile practices, this event will provide invaluable insights and networking opportunities.

In an era where sustainability and innovation are paramount in the textile industry, this show highlights Bangladesh's pivotal role in the Global textile landscape. As Bangladesh continues to shape the future of textiles, the 22nd Dhaka International Yarn and Fabric Show 2024 will exemplify its commitment to excellence, making it a must-attend event for those looking to be a part of this transformative journey. Be prepared for the next edition, where the world of textiles and fashion will once again converge in Dhaka, driving innovation and collaboration in the Global Textile and Apparel sector.

WHY BANGLADESH – Facts & Figures

The export-oriented RMG sector in Bangladesh started as a small non-traditional export sector in the late 1970s. Now Bangladesh is one of the countries in South Asia leading the race for shaping up for the Textile & Apparel exports to the US & EU. Within three decades, RMG has transformed itself into the country's highest revenue-generating sector, contributing most of Bangladesh's total exports, making Bangladesh the

second largest garment exporter in the world. In the fiscal year 2022-2023, Bangladesh exported garments worth US \$46.99 billion, making it

the second-largest apparel exporter in the world.
